1	Introduction	1
	Context of children living with foster carers, adopters and special guardians	1
	Impact of funding cuts on children's services	3
	Pressures on the social work workforce	4
	Sources of evidence about maltreatment of children in care	5
	Aims of this study	7
	Methods of analysing the data	9
<hr/>		
2	The findings from the 52 serious case reviews	11
	Part 1: Similarities and differences with findings of the 2020 triennial review	11
	Part 2: The 98 children – who they are and what happened to them?	15
	Summary of key findings	22
<hr/>		
3	Pitfalls in selecting carers	24
	Rigorous assessment with a safeguarding focus	24
	Assessment is 'an activity and a process of understanding'	25
	Challenging areas for exploration in recruitment	28
	Information requires critical appraisal and analysis	34
	Effectiveness of fostering and adoption panels	36
	Managing differences of opinion	36
	Assessment of carers in changing circumstances	37
	Selection of special guardians	39
	Key issues relating to the assessment of potential special guardians	44
	Summary of key findings	46
<hr/>		
4	Children at the heart of practice	49
	Who are the 98 children in the study?	49
	Factors affecting placement choice	50
	Children's experience of the care system	63
	Summary of key findings	68

5	Support, oversight and review	71
	Supporting foster carers	71
	Private fostering arrangements	74
	Supporting family and friends or kinship carers	75
	Supporting special guardians	76
	Supporting child arrangements orders (formerly residence orders)	78
	Supporting adopters	79
	Professionals' loyalty to carers	81
	Issues related to children's assessments and reviews	82
	Assessments and reviews of foster carers	88
	Summary of key findings	89
<hr/>		
6	Smoke and mirrors	92
	The assumption of safety	92
	Not all carers are heroes	93
	Controlling external scrutiny	95
	Controlling the narrative – influencing professional perspectives	98
	Controlling children's narrative	102
	Summary of key findings	104
<hr/>		
7	Everybody's responsibility	107
	The complexity of cases	107
	Communication within the health service	108
	Collaboration between health, education and children's social care	111
	Information sharing between children's and fostering social work teams	112
	Collaboration in adoption, special guardianship and kinship care	114
	Information sharing between children and adult services	115
	Police and youth offending teams (YOTs) not "in the loop"	116
	A co-ordinated approach for children of asylum seekers and unaccompanied asylum-seeking children	117
	The role of professionals in escalating concerns	118
	A change of local authority	119
	Summary of key findings	120
<hr/>		
	Conclusion	122
