

Form CR-YP Carers' Report

Profile of behavioural and emotional wellbeing of a child or young person aged 10–16 years

To be completed by the child's or young person's main caregiver/s (with support from social worker as needed)

CONFIDENTIAL

Please note

1. As part of the permanent social care record, this valuable information should be used to inform social care planning for all children and young people in public care, e.g. statutory reviews, permanence panels, family finding, preparing prospective carers. Professionals sharing the information should give due regard to the child's or young person's feelings, thoughts and wishes.
2. This report is an opportunity for you to share your knowledge of the child or young person. Please involve the child or young person in responding, as appropriate. The report will form part of the social care record. Please answer by ticking as appropriate and by adding any comments in the spaces provided.
3. In thinking about this child's or young person's behaviour and emotional wellbeing, please compare him/her with other children and young people of similar age and ability.
4. This information should be updated and available to the health professional at statutory health assessments.
